Further, in accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote, on the basis of that appointment, on this Resolution if:

- (b) the appointment does not specify the way the proxy is to vote on this Resolution.

However, the above prohibition does not apply if:

BY ORDER OF THE BOARD

CAROL NEW

Company Secretary

Dated 23 October 2019

ENTITLEMENT TO ATTEND AND VOTE

You will be entitled to attend and vote at the Annual General Meeting if you are registered as a Shareholder of the Company as at 4:00pm (WST) on 27 November 2019. This is because, in accordance with the Corporations Regulations 2001 (Cth), the Board of Directors has determined that the Shares on issue at that time will be taken, for the purposes of the Annual General Meeting, to be held by the persons who held them at that time. Accordingly, transactions registered after that time will be disregarded in determining entitlements to attend and vote at the meeting.

HOW TO VOTE

Voting in person

Shareholders who plan to attend the Meeting are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting if possible, so that their holding may be checked against the Company's register of members and attendances recorded.

Corporate Representatives

A body corporate, which is a Shareholder or which has been appointed as a proxy, may appoint an individual to act as its corporate representative at the Meeting in accordance with section 250D of the Corporations Act. The appropriate appointment document must be produced prior to admission. A form of the certificate can be obtained from the Company's registered office.

Voting by Proxy

A Shareholder who is entitled to attend and cast a vote at the Meeting may appoint a proxy. A proxy need not be a Shareholder and may be an individual or body corporate. If a body corporate is appointed as a proxy it must appoint a corporate representative in accordance with section 250D of the Corporations Act to exercise its powers as proxy at the Meeting (see above).

A Shareholder who is entitled to cast two or more votes may appoint two proxies to attend the Meeting and vote on their behalf and may specify the proportion or a number of votes each proxy is appointed to exercise. If a Shareholder appoints two proxies and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, each proxy may exercise half of the votes (disregarding fractions). If you wish to appoint a second proxy, you may copy the enclosed proxy form or obtain a form from the Company's registered office.

To be effective for the scheduled Meeting a proxy appointment (and any power of attorney or other authority under which it is signed or otherwise authenticated, or a certified copy of that authority) must be received at an address or fax number below no later than 10:00am (WST) on 27 November 2019. Any proxy appointment received after that time will not be valid for the scheduled Meeting.

For an appointment to be effective for the meeting, the instrument effecting the appointment (or a certified copy of it) must be received by the Company at one of the addresses listed above for the receipt of proxy appointments at least 48 hours prior to the commencement of the Meeting.

Chairman as proxy

If you appoint a proxy, the Company encourages you to consider directing them how to vote by marking the appropriate box on each of the proposed Resolutions.

If a Shareholder entitled to vote on a Resolution appoints the Chairman of the Meeting as their proxy (or the Chairman becomes their proxy by default) and the Shareholder does not direct the Chairman how to vote on the Resolution:-

- the Chairman intends to vote in favour of the Resolution, as proxy for that Shareholder on a poll; and
- for Resolution 1, the Shareholder will have given the Chairman express authority to vote as the Shareholder's proxy on the relevant resolution even though the Resolution is connected directly or

indirectly with the remuneration of a member of the KMP for the Company and even though the Chairman is a member of the KMP, unless the Shareholder expressly indicates to the contrary in the proxy appointment.

If you do not want to put the Chairman of the Meeting in the position to cast your votes in favour of Resolution 1, you should complete the appropriate box on the proxy form, directing your proxy to vote against, or to abstain from voting, on the resolution.

Other members of KMP as proxy

If a Shareholder appoints a Director (other than the Chairman of the meeting) or another member of the KMP (or a Closely Related Party of any such person) as their proxy and does not direct the proxy how to vote on Resolution 1 by marking the 'For', 'Against' or 'Abstain' box opposite the relevant Resolution on the proxy appointment, the proxy will not be able to exercise the Shareholder's proxy and vote on their behalf on the relevant Resolution.

QUESTIONS FROM SHAREHOLDERS

The Chairman of the Meeting will allow a reasonable opportunity for Shareholders at the Meeting to ask questions about and make comments on the management of the Company and on the financial report, the Directors' report (including the Remuneration Report) and the auditor's report (**Reports**), as well as each of the Resolutions to be considered at the Meeting.

A representative of the Company's auditor will attend the Meeting. During the Meeting's consideration of the Reports, the Chairman will allow a reasonable opportunity for Shareholders to ask the auditor's representative questions relevant to the:

- conduct of the audit;
- preparation and content of the auditor's report for the financial year ended 30 June 2019;
- accounting policies adopted by the Company in relation to the preparation of the financial statements contained in the financial report for that year; and
- independence of the auditor in relation to the conduct of the audit.

Shareholders may also submit a written question to the Company's auditor if the question is relevant to the content of the auditor's report or the conduct of the audit.

If you wish to submit a question in advance of the Meeting, you may do so by sending your question to one of the addresses or facsimile numbers above by no later than 22 November 2019. The Company and the auditor will attempt to respond to as many of the more frequently asked questions as possible. Due to the large number of questions that may be received, the Company and the auditor may not be replying on an individual basis.

EXPLANATORY STATEMENT

This Explanatory Statement is for the information of Shareholders in connection with the Resolutions to be considered at the Annual General Meeting to be held on 29 November 2019 at 10:00am (WST). If Shareholders are in doubt as to how they should vote, they should seek advice from their professional advisors before voting.

Ordinary Business

Annual Financial Report

The 2019 Annual Report (including the financial statement, Directors' report and auditor's report for the financial year ended 30 June 2019) is available for review by members at <https://www.scorpionminerals.com.au/> and will be tabled at the Meeting. There is no formal resolution to accept the financial statements and reports, but provision will be made for members to question the Directors and the Company's auditor should they wish to do so.

Resolution 1 – Adoption of Remuneration Report

The Board submits its Remuneration Report for the year ended 30 June 2019 to Shareholders for consideration and adoption by way of a non-binding resolution.

The Remuneration Report is included in the 2019 Annual Report. The Remuneration Report:

- explains the Company's remuneration principles relating to the nature and amount of the remuneration of directors, senior managers and other group executives of the Company;
- discusses the relationship between the remuneration principles and the Company's performance; and
- sets out remuneration details for each Director and for each relevant executive of the Company.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Meeting.

As required by section 250R(2) of the Corporations Act, a non-binding resolution to adopt the Remuneration Report is to be put to Shareholders at the Meeting. The vote on this Resolution 1 is advisory only and does not bind the Directors or the Company. However, the Corporations Act provides that if Resolution 1 receives a "no" vote of 25% or more of votes cast at the Annual General Meeting, the Company's subsequent Remuneration Report must explain the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons for not making any changes. The Board will take into account the outcome of the vote when considering the remuneration policy, even if it receives less than a 25% "no" vote. The Corporations Act provides for a 'two strikes rule' in relation to voting on the Remuneration Report. This rule would apply if, at two consecutive annual general meetings, the resolution for the adoption of the Remuneration Report were to receive a 'no' vote of 25% or more of the votes cast on the resolution. In that case, a further resolution (a 'spill resolution') would be required to be put to Shareholders at the second of those annual general meetings. If passed, the spill resolution would require an extraordinary general meeting of the Company (a 'spill meeting') to be held within 90 days of the second annual general meeting, for the purpose of considering the election of Directors. At the spill meeting, the directors (other than the Managing Director) who were in office at the date of approval by the Board of the most recent Directors' report would cease to hold office, unless re-elected at the meeting. For any spill resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it.

The Company did not receive a strike at its 2018 annual general meeting (less than 25% of the votes cast were against the adoption of the 2018 remuneration report). Accordingly, a Spill Resolution will not be required at the Annual General Meeting.

The Board remains confident that the Company's remuneration policy and the level and structure of its executive remuneration are suitable for the Company and its shareholders and hence it has not amended its overall remuneration policy.

Please read the information under the heading 'Chairman as proxy' which deals with the Chairman's voting of undirected proxies on this Resolution.

Resolution 2 – To re-elect Ms Bronwyn Barnes as a Director

Clause 13.2 of the Constitution of the Company requires that one third of the Directors in office (other than a Managing Director) must retire by rotation at each annual general meeting of the Company. The Directors to retire are those who have been longest in office since their last election. A retiring Director is eligible for re-election.

In addition, Listing Rule 14.5 requires an entity with directors to hold an election of directors at each annual general meeting.

The Company appointed Ms Barnes to the Board as a Director on 3 October 2018 and she was elected as a Director at the Company's 2018 annual general meeting. Of the Directors, Ms Barnes has been the longest to hold office as the other Directors were appointed earlier this year and will therefore retire at the forthcoming Annual General Meeting in accordance with clause 13.2 of the Constitution and, being eligible, has offered herself for re-election at the Meeting. Resolution 2 seeks Shareholder approval for the re-election of Ms Bronwyn Barnes as a Director.

Ms Bronwyn Barnes

Ms Barnes has had an extensive career in the resources sector, having worked with companies ranging from BHP Billiton to emerging juniors in directorship, executive leadership, and operational roles in Australia and internationally. Ms Barnes is a member of the Executive Council of the Association of Mining and Exploration Companies (AMEC) and a member of the Advisory Council for the Curtin University School of Business. Ms Barnes has extensive experience in working across Africa and an extensive career in ASX listed company boards.

Ms Barnes is currently a non-executive director of ASX listed MOD Resources Limited and non-executive chair of Indiana Resources Limited. Ms Barnes was previously a non-executive director of Windward Resources Limited, Auris Minerals Ltd and JC International Group Ltd.

Directors' recommendation

The Board, with Ms Barnes abstaining, recommend that Shareholders vote in favour of Resolution 2.

Resolution 3 – Re-election of Ms Carol New as a Director

Clause 13.5 of the Constitution allows the Directors to appoint at any time a person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.

Pursuant to clause 13.5 of the Constitution, any Director so appointed holds office only until the next annual general meeting of the Company following their appointment, and is then eligible for re-election by Shareholders. Such appointed Directors are not taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

In addition, Listing Rule 14.4 provides that a director appointed to fill a casual vacancy or as an addition to the board of a company must not hold office (without re-election) past the next annual general meeting of that company.

Ms Carol New

Ms New, having been appointed on 1 February 2019 as a Director, will retire in accordance with clause 13.5 of the Constitution and Listing Rule 14.4 and, being eligible, seeks to be re-elected pursuant to Resolution 3. Resolution 3 seeks approval for the re-election of Ms Carol New to the Board as a Director.

Ms New holds a Bachelor of Business Degree and is a Chartered Accountant and has over 20 years' experience working with public companies in director, accounting and secretarial roles.

Ms New is currently a non-executive director of ASX listed Horseshoe Metals Limited and Target Energy Limited. Ms New was previously a non-executive director of Redbank Copper Limited.

Directors' recommendation

The Board, with Ms New abstaining with respect to Resolution 3, recommend that Shareholders vote in favour of Resolution 3.

Resolution 4 – Re-election of Mr Craig Hall as a Director

Clause 13.5 of the Constitution allows the Directors to appoint at any time a person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.

Pursuant to clause 13.5 of the Constitution, any Director so appointed holds office only until the next annual general meeting of the Company following their appointment, and is then eligible for re-election by Shareholders. Such appointed Directors are not taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

In addition, Listing Rule 14.4 provides that a director appointed to fill a casual vacancy or as an addition to the board of a company must not hold office (without re-election) past the next annual general meeting of that company.

Mr Craig Hall

Mr Hall, having been appointed on 11 February 2019 as a Director, will retire in accordance with clause 13.5 of the Constitution and Listing Rule 14.4 and, being eligible, seeks re-election from Shareholders pursuant to Resolution 3. Resolution 3 seeks approval for the re-election of Mr Craig Hall to the Board as a Director.

Mr Hall is an experienced geologist with over 30 years of mineral industry experience in exploration, development and production roles in a range of commodities, principally precious and base metals. He has held a variety of senior positions with mid-tier and junior sector resource companies within Australia and overseas.

Mr Hall is currently a non-executive director of ASX listed entities, Auris Minerals Limited, Horseshoe Metals Limited and Target Energy Limited. Mr Hall was previously a non-executive director of Redbank Copper Limited.

Directors' recommendation

The Board, with Mr Hall abstaining with respect to Resolution 4 recommend that Shareholders vote in favour of Resolution 4.

Resolution 5 – Approval of 10% Placement Facility

The Company seeks Shareholder approval to issue additional Equity Securities up to 10% of its issued share capital through issues over a 12-month period following the date of the Meeting (**10% Placement Facility**).

The Company intends to use any funds raised towards its exploration activities, acquisition of new assets and for general working capital.

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued ordinary share capital through placements over a 12-month period following shareholder approval being obtained by way of a Special Resolution at the entity's annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1. Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing class of quoted Equity Securities. As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: SCN).

An eligible entity for the purposes of Listing Rule 7.1.A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less as at the time of the entity's annual general meeting. The Company is an eligible entity as at the time of this Notice and is expected to be an eligible entity as at the time of the Annual General Meeting.

Resolution 5 seeks Shareholder approval to enable the Company to issue Equity Securities under the 10% Placement Facility for the following 12 month period after the Annual General Meeting. The effect of Resolution 5 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A without obtaining prior Shareholder approval.

Resolution 5 is a special resolution and therefore requires 75% of the votes cast by Shareholders at the Annual General Meeting (either in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The exact number of Equity Securities that the Company may issue under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see the Explanatory Statement below).

The Company is seeking a mandate to issue Equity Securities under the 10% Placement Facility to enable the Company to pursue its growth strategy with the flexibility to act quickly as potential business opportunities arise.

Specific information required by Listing Rule 7.3A

For the purposes of Listing Rule 7.3A, the following information is provided:

(a) Minimum issue price

The issue price of Equity Securities under the 10% Placement Facility must not be lower than 75% of the volume weighted average price of the Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(b) *Risk of economic and voting dilution*

As at the date of this Notice, the Company has 177,024,525 Shares on issue. As a result, the Company has a capacity to issue, subject to Shareholders approving Resolution 5, 17,702,453 Shares under Listing Rule 7.1A.

The precise number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the following formula:

$$(A \times D) - E$$

A is the number of fully paid ordinary shares on issue 12 months before the date of issue or agreement:

- i. plus the number of Shares issued in the 12 months under an exception in Listing Rule 7.2;
- ii. plus the number of partly paid ordinary shares that became fully paid in that 12 month period;
- iii. plus the number of Shares issued in the 12 months with Shareholder approval;
- iv. less the number of Shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

If Resolution 5 is approved by Shareholders and the Company issues Equity Securities pursuant to Listing Rule 7.1A under the 10% Placement Facility, existing Shareholders' voting power in the Company will be diluted as shown in the table below to the extent Shareholders do not receive any Shares under such issues. There is a risk of economic and voting dilution to existing Shareholders by approving the 10% Placement Facility, including the risks that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than when Shareholders approved the 10% Placement Facility; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Equity Securities on the issue date, or issued for non-cash consideration for the acquisition of a new asset which may have an effect on the amount of funds raised by the issue of the Equity Securities.

Following is a table that sets out the potential dilution of existing Shareholders if Equity Securities are issued under the 10% Placement Facility on the basis of the closing price of Shares on [*] October 2019, being the last date of trading prior to sending this Notice of Meeting to print, and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (iii) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of fully paid ordinary securities the Company has on issue. The number of fully paid ordinary securities on issue may increase as a result of issues of fully paid ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a Shareholders' meeting; and
- (iv) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the closing price of the Shares on ASX on 21 October 2019.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.005 50% decrease in Issue Price	\$0.01 Issue Price	\$0.02 100% increase in Issue Price
Current Variable A 177,024,525 Shares	Shares issued (10% voting dilution)	17,702,452 Shares	17,702,452 Shares	17,702,452 Shares
	Funds raised	\$88,512.26	\$177,024.52	\$354,049.04
50% increase in current Variable A 265,536,787 Shares	Shares issued (10% voting dilution)	26,553,679 Shares	26,553,679 Shares	26,553,679 Shares
	Funds raised	\$132,768.40	\$265,536.79	\$531,073.58
100% increase in current Variable A 354,049,050 Shares	Shares issued (10% voting dilution)	35,404,905 Shares	35,404,905 Shares	35,404,905 Shares
	Funds raised	\$177,024.53	\$354,049.05	\$708,098.10

The above table has been prepared on the following assumptions:

- (i) Variable A is 177,024,525, being the number of Shares on issue at the date of this Notice.
- (ii) The issue price is \$0.012 being the closing price of the Shares on ASX on [*] October 2019.
- (iii) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (iv) Resolution 5 is passed and the Company has not issued any other Equity Securities using its placement capacity under Listing Rule 7.1 or 7.1A in the 12 months preceding this Notice.
- (v) The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (vi) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vii) The table shows only the dilutive effect of the issuance of Equity Securities under Listing Rule 7.1A and not under the 15% placement capacity under Listing Rule 7.1.
- (viii) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

(c) *Latest Date for issue*

If Shareholders approve Resolution 5, the latest date by which Equity Securities may be issued under the 10% Placement Facility is 12 months after the date of the Meeting. Approval for the issue of Equity Securities under the 10% Placement Facility will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

(d) *Purpose of issue*

The Equity Securities may be issued for the following purposes:

- (i) to raise funds, in which case the Company intends to use the funds raised towards an acquisition of new assets or investments (including expenses associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.
- (ii) as consideration of the acquisition of new resources assets and investments, in which case the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

The Company will provide further information at the time of issue of any Equity Securities under the 10% Placement Facility in compliance with its disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A.

(e) *To whom Equity Securities issued*

The persons to whom the Company will issue Equity Securities under the 10% Placement Facility have not been determined as at the date of this Notice, but may include vendors (in the case of any issue for non-cash consideration), existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

The Company's policy for allocating Equity Securities issued under the 10% Placement Facility will be determined on a case-by-case basis depending upon the purpose, and prevailing market conditions at the time, of any issue and having regard to factors including but not limited to the following:

- (i) the fundraising methods available to the Company, including but not limited to, pro rata rights issues or other issues which may minimise dilution to Shareholders;
- (ii) in the case of an asset or investment acquisition, the nature and circumstances of the acquisition;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the financial situation and solvency of the Company; and
- (v) advice from corporate, financial and broking advisers (if applicable).

(f) *Previous Shareholder approval*

Shareholder approval was granted to the Company under Listing Rule 7.1A at its 2018 annual general meeting held on 29 November 2018.

(g) *Equity Securities issued*

The Company notes that it has not issued any Equity Securities in the 12 months preceding the date of the Meeting. INSTRUCTIONS FOR COMPLETING 'APPOINTMENT OF PROXY' FORM

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
 - (a) **(Individual):** Where the holding is in one name, the Shareholder must sign.
 - (b) **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
4. **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
5. **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
6. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
7. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return:
